Its consequently definitely easy and appropriately fats, isnt it? You have to favor to in this flavor

The Trauma-Sensitive Classroom: Building Resilience with Compassionate Teaching Patricia A. Jennings 2018-11-13 From the author of *Mindfulness for Teachers*, a guide to supporting trauma-exposed students. Fully half the students in U.S. schools have experienced trauma, violence, or chronic stress. In the face of this epidemic, it falls increasingly to teachers to provide the adult support these students need to function in school. But most educators have received little training to prepare them for this role. In her new book, Tish Jennings—an internationally recognized leader in the field of social and emotional learning—shares research and experiential knowledge about the practices that support students' healing, build their resilience, and foster compassion in the classroom. In Part I, Jennings describes the effects of trauma on body and mind, and how to recognize them in students' behavior. In Part II, she introduces the trauma-sensitive practices she has implemented in her work with schools. And in Part III, she connects the dots between mindfulness, compassion, and resilience. Each chapter contains easy-to-use, practical activities to hone the skills needed to create a compassionate learning environment.

The Simple Guide to Child Trauma Betsy de Thierry 2016-09-21 · What is trauma? · How does it affect children? · How can adults help? Providing straightforward answers to these complex questions, *The Simple Guide to Child Trauma* is the perfect starting point for any adult caring for or working with a child who has experienced trauma. It will help them to understand more about a child's emotional and behavioural responses following trauma and provides welcome strategies to aid recovery. Reassuring advice will also rejuvenate adults' abilities to face the challenges of supporting children.

Attachment in Common Sense and Doodles Miriam Silver 2013-02-28 Attachment is a word used to describe a simple idea – the relationship with someone you love or whose opinions are important to you – so why is so much of the language relating to attachment so obscure, and why is it so challenging to help children who lack healthy attachment bonds? Attachment in Common Sense and Doodles aims to bring some clarity and simplicity to the subject. Providing grounded information and advice accompanied by a series of simple 'doodles' throughout, it explains attachment in language that is easy to understand and describes how to apply this information in everyday life. It describes how the attachment patterns in children who are adopted or fostered differ, summarises the latest research in the field and provides advice on how to repair attachment difficulties and to build secure, loving relationships. Covering all of the 'need to know' issues including how to spot attachment difficulties, build resilience and empathy and responding to problematic behaviour, this book will be an invaluable resource for families and professionals caring for children who are fostered, adopted or who have experienced early trauma.

Six Days in Rome Francesca Giacco 2022-05-03 In this decadent, deeply evocative novel, a young artist travels to Rome to heal a broken heart, where she ?confronts loneliness and intimacy, rage and desire: “Sensorial as hell . . . A stunningly cool and stylish debut” (Paul Beatty, Man Booker Prize-winning author of *The Sellout*). Emilia arrives in Rome reeling from heartbreak and reckoning with her past. What was supposed to be a romantic trip has, with the sudden end of a relationship, become a solitary one instead. As she wanders, music, art, food, and the beauty of Rome's wide piazzas and narrow streets color Emilia's dreamy, but weighty experience of the city. She considers the many facets of her life, drifting in and out of memory, following her train of thought wherever it leads. While climbing a hill near Trastevere, she meets John, an American expat living a seemingly idyllic life. They are soon navigating an intriguing connection, one that brings pain they both hold into the light. As their intimacy deepens, Emilia starts to see herself anew, both as a woman and as an artist. For the first time in her life, she confronts the ways in which she's been letting her father's success as a musician overshadow her own. Forced to reckon with both her origins and the choices she's made, Emilia finds herself on a singular journey—and transformed in ways she never expected. Equal parts visceral and cerebral, *Six Days in Rome* is an ode to the Eternal City, a celebration of art and creativity, and a meditation on self-discovery. Includes a Reading Group Guide.

Attachment in Common Sense and Doodles Miriam Silver 2013 An informal introduction to attachment and what it means for understanding and helping children who have experienced trauma, neglect or abuse. Doodles featuring throughout the book bring the ideas to life - ideal for parents or professionals caring for fostered, adopted and looked after children.

Wink Rob Harrell 2020-03-31 A hilarious and heartwrenching story about surviving middle school--and an unthinkable diagnosis--while embracing life's weirdness. Ross Maloy just wants to be a normal seventh grader. He doesn't want to lose his hair, or wear a weird hat, or deal with the disappearing friends who don't know what to say to "the cancer kid." But with his recent diagnosis of a rare eye cancer, blending in is off the table. Based on Rob Harrell's real life experience, and packed with comic panels and spot art, this incredibly personal and poignant novel is an unforgettable, heartbreaking, hilarious, and uplifting story of survival and finding the music, magic, and laughter in life's weirdness.

A-Z of Attachment David Wilkins 2018-07-09 Launching Palgrave's interdisciplinary Professional Keywords series, this reader-friendly reference guide distils the study of attachment into digestible, yet authoritative, chunks. With over 60 alphabetized entries, it is the perfect introduction to the key concepts, debates and thinkers within this increasingly exploration of human behaviour.

Becoming an Adoption-Friendly School Emma Gore Langton 2017-04-21 Adopted children who have experienced loss, abuse or neglect need additional support for their emotional development, and are more likely to have special educational needs. This useful resource provides a complete plan for creating adoption-friendly environments in primary, secondary and specialist schools. The book is grounded on new research which gathered together testimonies from over 400 school staff members, adoptive parents and adoption specialists. With realistic consideration of pressures and limitations currently faced by schools, it gives advice on eight key areas for school development, including communicating with parents, training staff, using resources wisely and recognising children's individual needs. Completing the toolkit is a broad selection of photocopyable and downloadable plans for establishing adoption-friendly frameworks, and for demonstrating good practice to staff, pupils, families and school inspectors.

A Practical Guide to Caring for Children and Teenagers with Attachment Difficulties Chris Taylor 2010-02-15 This book guides childcare professionals through attachment theory and provides techniques for caring for children with attachment difficulties. It explains what attachment is, what different patterns of attachment look like in children and young people, how early attachment experiences affect their lives, and how this understanding can help childcare workers to develop therapeutic ways of caring. By understanding these issues, childcare workers are better equipped to help and support the troubled children they care for. This book shows how to promote recovery through secure base experiences in a therapeutic environment and provides solutions and methods to tackle challenging and problem behaviour, anger and the effects of trauma in children with attachment problems. This essential book will be invaluable to professionals such as residential carers, social workers and foster carers who work in a therapeutic environment with vulnerable and troubled children and young people.

Attachment and Interaction Mario Marrone 2014-05-21 Attachment and Interaction is an accessible introduction to the history and evolution of attachment theory, which traces the early roots of attachment theory from the work of its creator John Bowlby through to the most recent theoretical developments and their clinical applications. Mario Marrone explores how attachment theory can inform the way in which therapists work with their patients, and what the practical implications are of using such an approach. By bringing together personal anecdotes from his own experiences as Bowlby's supervisee with clear explanations of Bowlby's ideas, Marrone creates a memorable and engaging account of attachment theory. This new, updated edition includes references to bereavement, sexuality and the application of attachment-based principles to individual, family and group psychotherapy. This clear exposition of attachment theory is relevant and valuable reading for trainees and practising individual and group psychotherapists, family therapists and mental health professionals – as well as anyone with an interest in John Bowlby and the evolution of psychotherapy.

The Interracial Adoption Option Marlene Fine 2013-09-21 The perfect starting point for parents of transracially adopted children and those who are considering adopting transracially. The Interracial Adoption Option is a personal guide to interracial adoption which draws on the lives and experiences of the authors, a white US couple, who adopt two African-American children. Starting from their decision to adopt their first child interracially, it describes the situations and decisions that followed as a result of their child's racial background. The authors' combine their personal experiences with practical advice. They address common issues like where to live, how to choose a doctor and how to take care of your child's hair and skin. They also tackle difficult questions such as, 'Does race matter?' 'Why is a healthy racial identity important?' and 'What do I do if I suspect my child is being treated unfairly because of his/her race?' An accessible introduction to the complex world of interracial adoption, this book is the first book you need to read if you are thinking of adopting transracially or have done so already.

Why Can't My Child Behave? Amber Elliott 2013-07-28 Parenting a child who doesn't know how to be parented is the most difficult job in the world.' *Why Can't My Child Behave?* provides friendly expert advice on how to respond to difficult behaviours and emotions for parents of children with developmental trauma. Each chapter focusses on the common difficulties faced by carers or parents and features quick, applicable ideas with exercises and illustrations. How do you react to a child's difficult behaviour? How do you deal with your own negative emotions? How do you know when to be empathic? The book looks beyond the traditional punishment/reward strategies and aims to provide an explanation for such questions whilst helping the child in the process. This book will prove to be an invaluable resource for parents, foster carers, social workers and professionals working with children who are adopted or fostered.

First Steps in Parenting the Child who Hurts Caroline Archer 1999-08-01 `This excellent book looks at the attachment and development of very young children in the fostering and adoption situation. It deals sensitively and practically with the young child's 'hurts' to help adopters and foster carers understand and cope with the many traumas they may experience in integrating a young child into their family. Caroline Archer is a real adoptive parent speaking from experience so this book provides good, practical advice and encouragement for the mothering figure when things are not following the normal attachment and development patterns... This highly readable book is highly recommended for everyone fostering or adopting very young children.' - Adoption and Fostering `Written by an adoptive parent [this book aims] to give practical advice and parenting tips to other adoptive and long-term foster parents. The author's basic premise is that all children who have been adopted or placed in long-term care have undergone some form of psychological hurt. She argues that while some children will be more resilient to this hurt than others, many children will need their hurt to be acknowledged by their parents/carers, and be allowed to grieve for their losses in order to move forward to a life of greater well-being and fulfilment. [The book begins] by exploring such issues as bringing a child home, child development and what to do when things 'don't seem quite right'. Other issues covered are the effects of trauma on a child, and how to handle specific difficulties that may arise with an adopted child. [It is] written in a clear easy-to-read format, and contain[s] a list of references for further reading.' - Family Matters

The Unofficial Guide to Adoptive Parenting Sally Donovan 2014-11-21 This is not just another book about adoptive parenting. This is the real stuff: dynamic, messy, baffling adoptive parenting, rooted in domestic life. Award-winning columnist and adoptive parent Sally Donovan offers savvy, compassionate advice on how to be 'good enough' in the face of both day-to-day and more bewildering challenges – how to respond to 'red mist' meltdowns, crippling anxieties about new routines and, most importantly, how to meet the intimidating challenge of being

strong enough to protect and nurture your child. Full of affecting and hilarious stories drawn from life in the Donovan household, *The Unofficial Guide to Adoptive Parenting* offers parents a refreshing counterblast to stuffy parenting manuals -- read it, weep, laugh and learn. How to Create a Successful Adoption Portfolio Madeleine Melcher 2014-01-21 How do you create an adoption portfolio that will show prospective birth families why you are the perfect adoptive parent for their child? Do you know which pictures to include and which to leave out? Do you really understand what prospective birth parents care about? This is a step-by-step guide to creating a portfolio which will reflect your personality, make a strong positive impact and encourage the right birth family to choose you. Madeleine Melcher shares the secrets she has discovered over years of creating successful portfolios, profiles and prospective birth parent letters. She combines simple and effective design ideas and tips for writing and layout with a deep understanding of how portfolios work. Importantly, this book also draws extensively on the experiences of birth mothers and the professionals who support them to examine what they are really looking for, featuring questions which prospective birth mothers will want to see answered in your portfolio. From text to design, this guide will give you the confidence to create a portfolio that sets you apart. It is essential reading for prospective adoptive parents, as well as adoption attorneys and adoption agencies advising those hoping to adopt.

*Superparenting!* Amber Elliott 2021-07-21 Tried nagging, shouting, taking away screen time, but with no success? Dr Amber Elliott explains why children who have experienced early trauma need something different - therapeutic parenting - a kind of everyday 'superparenting' which champions empathy over punishment. Trying to parent children who have trauma-triggered behaviours is tough, and none of us are perfect. Taking this as a starting point, Dr Elliott provides you with a ten-step process to transform your parenting. From developing self-acceptance and ideas for building motivation through to creative ways to think about structure and routine, the book combines principles with practical advice and exercises you can try out at home. Working together, you and your child can discover the secrets of superparenting and overcome trauma-triggered behaviours!

*Creative Ideas for Assessing Vulnerable Children and Families* Katie Wrench 2018-06-21 For the busy frontline practitioner with little time to plan ahead, this hands-on guide presents imaginative and unique methods to engage families and caregivers throughout the process of assessing vulnerable children. Setting the context for each area of assessment, including strengths and resilience, risk and needs and the child's lived experience, the book then describes a series of activities or creative techniques to engage young people and their caregivers within this area. It outlines the materials required, aims of the exercise and method. It includes 'handy hints' based upon practical experience, making it a quick go-to guide for every day practice. It encourages practitioners to focus on building safety into relationships and to adapt their approach to take into account the impact of trauma and abuse on an individual's capacity to engage and to communicate verbally.

*Creating Loving Attachments* Kim S. Golding 2012 Troubled children need special parenting to build attachments and heal from trauma. This book provides a parenting model that parents and carers can follow to incorporate love, play, acceptance, curiosity and empathy into their parenting. These elements are vital to a child's development and will help children to feel confident, secure and happy.

*Foster Parenting Step-by-Step* Kalyani Gopal 2013-04-28 'My mama, she is supposed to take care of me, that is her job, not you, I guess she just don't care.' When parents decide to foster, they are faced with many difficult decisions, dilemmas and questions. How do you navigate the daily struggles of foster parenting? How can you nurture bonds with your foster child who is angry, sad, and defiant? How can you prepare to step back when it's time to let go? *Foster Parenting Step-by-Step* is a concise, realistic how-to guide to fostering that summarizes what to expect as a foster parent, and gives hope and immediate hands-on solutions. It guides you through the different stages of a fostering relationship, including common issues encountered at each age and how to tackle them. It also explains the impact of trauma on your child: how this can show itself through challenging behavior and how to respond to it. This is a book will empower fostering parents with the skills and knowledge to be more successful in their parenting and to give the children they care for the best possible opportunities in life. It will be invaluable not just to foster parents but also to those professionals supporting foster placements.

*Everyday Parenting with Security and Love* Kim Golding 2017-06-21 Children who have experienced trauma, loss or separation early in life need more than just special care and attention; they need to be parented with love and security in a way that allows them to heal and rebuild emotional bonds. This comprehensive book provides parents and carers with crucial advice and guidance on how to strengthen attachment and trust. Based on Dan Hughes' proven 'PACE' model of therapeutic parenting, this book explains how to implement PACE techniques to overcome the challenges faced by children who struggle to connect emotionally. Barriers to stable relationships such as a lack of trust, fear of emotional intimacy, and high levels of shame are all explained. It explores techniques to overcome these barriers by teaching how to support the child's behaviour at the same time as building empathy and trust. The practical parenting guidance offered throughout is essential for carers or parents of troubled children, and will help build safe, secure emotional relationships.

*The Foster Parenting Manual* John DeGarmo 2013-06-28 *The Foster Parenting Manual* is a comprehensive guide offering proven, friendly advice for novice and experienced parents alike. Distilling many years' experience into one book, John DeGarmo combines his own wisdom with that of fellow foster parents. He describes what to expect from the process, how to access help and how to ensure the best care for your child. He tackles thorny issues such as children's use of the Internet and social media, managing contact with birth parents and how to support your child at school. Most importantly, he provides advice designed to help your child feel safe, secure and loved. *The Foster Parenting Manual* offers seasoned, sympathetic advice that will be valued by foster parents and the professionals who support them.

*Lean and Agile Made Simple* Paula Beattie 2019-07-13 "This reads well...it is a nice concise description of the core elements of Lean and the main elements of Agile that are relevant beyond software development." Professor Daniel T Jones Co-author of 'The Machine that Changed the World'. Want to know more about Lean? Interested in Agile? *Lean and Agile Made Simple* is a no-nonsense guide for practical people who want to make a real difference to their company, but don't want to spend hours untangling complex theories and buzz words. It is for those who like straight speaking and dislike consultancy jargon. It has real-life stories and anecdotes from the author's own experiences of helping teams implement Lean across the world. This book explains how to get the best results from a Lean and Agile approach, and even seasoned Lean consultants will see how their continuous improvement programmes can be optimised when Agile principles are used. You will also learn how to avoid the common pitfalls of change, including a structured approach to solving the right problem, and ensuring improvements are sustained. Processes are easy - but real change is all about taking people with you.

*Clinical Practice at the Edge of Care* Laura Smith 2016-12-07 This book brings together psychological and psychotherapeutic contributions in clinical practice with at-risk children and their families. Chapters by experts working in a range of edge-of-care settings give an essential account of real-world clinical challenges and dilemmas; whilst drawing on relevant theory and the growing evidence base for edge of care work with children and families. This title will be of interest to both clinical and social work practitioners, those commissioning and developing best practice in edge of care services, scholars and students of Clinical Psychology, Systemic Psychotherapy and related disciplines.

*A Short Introduction to Attachment and Attachment Disorder, Second Edition* Colby Pearce 2016-12-21 Concise and easy-to-understand, this book provides an introduction to what attachment means and how to recognise attachment disorder in children. Colby Pearce explains how complex problems in childhood may stem from the parent-child relationship during a child's early formative years, and later from the child's engagement with the broader social world. The book explores the mind-set of difficult and traumatised children and the motivations behind their complex tendencies and behaviours. It goes on to offer a comprehensive set of tried-and-tested practical strategies that can be used with children affected by an attachment disorder. This second edition has been updated to include the new DSM-5 diagnostic criteria for Reactive Attachment Disorder and an increased number of illustrative case vignettes. This is a perfect introduction to the subject for parents, carers and practitioners in supportive roles caring for children.

*Observing Adolescents with Attachment Difficulties in Educational Settings* Kim Golding 2015-10-21 This easy-to-use tool provides an observation checklist which enables staff to identify behavioural patterns in children with social and emotional difficulties, analyse the underlying emotional difficulties and establish what kind of help and support the children need. Behavioural responses are categorised within clearly outlined topics, including: \* behaviour and relationship with peers \* attachment behaviours \* emotional state in the classroom \* attitude to attendance Checklists and diagrams identify different 'styles' of relating, to help school staff to respond appropriately to the individual needs of each child. A range of handouts include activities designed to provide emotional support, to focus and regulate behaviour and enable the child to develop important social and emotional skills. Suitable for use with children aged 11+, this tool will be an invaluable resource for teachers, teaching assistants, learning support staff, school counsellors and educational psychologists.

*Games and Activities for Attaching With Your Child* Deborah D. Gray 2015-07-21 Packed full of great ideas for fun games and activities, this book encourages positive attachments between a parent or carer and their child. When it comes to choosing the best games to play with children who have difficulties attaching, it is often hard to know how to play with a purpose. This book contains fun, age-appropriate games along with an explanation of why they matter. All the games included are designed for specific age ranges, from infants to older children, and help to address particular needs in children that are known to affect attachment, including fetal alcohol spectrum disorder. It provides an easy-to-understand description of attachment and reveals the crucial role that play has in forming attachments. Written for parents and carers, as well as for use by professionals, it is full of strategies to help build healthy attachments in children who have experienced early trauma.

*The Teacher's Introduction to Attachment* Nicola Marshall 2014-07-21 Simple and concise, *The Teacher's Introduction to Attachment* offers an easy way to understand children with attachment issues and how they can be supported. Author Nicola Marshall combines her expertise as an adoptive parent and schools trainer to describe in plain English what attachment is, how children develop attachment problems and how these problems affect a child's social, emotional and neurological development. She addresses some of the difficulties in identifying attachment issues in children - common among children who are in care or adopted, but which are sometimes mistaken for symptoms of ADHD or Autism Spectrum Disorder. Nicola also describes a range of helpful principles and practical strategies which will help children flourish - from simple tips for the individual on how to improve their communication to the changes a school can make to reduce a child's anxiety about changes and transitions. Ideal for teachers and support staff to pick up and use, this book is an essential addition to any school's staff library.

*Attachment, Trauma, and Healing* Michael Orlans 2014-06-28 Now in a fully updated and expanded edition, Levy and Orlans' classic text provides a comprehensive overview of attachment theory, how attachment issues manifest, and how they can be treated. The book covers attachment-focused assessment and diagnosis, specialised training and education for caregivers, treatment for children and caregivers and early intervention and prevention programmes for high-risk families. The authors explain their unique models of 'corrective attachment therapy' and 'corrective attachment parenting', and provide practical guidance on goals and techniques for clinicians who work with maltreated and attachment disordered children and families. This second edition incorporates advances in the fields of child and family psychology that have occurred since the book first published in 1998, with substantial new sections on interpersonal neurobiology, adult and couple treatment, the application of positive psychology. Clear, authoritative and skills-oriented, this is the essential guide to attachment for psychologists, social workers, clinicians, as well as foster and adoptive parents.

*The Maid* Kimberly Cutter 2012-03-29 The girl who led an army. The peasant who crowned a king. The maid who became a legend.

*In Her Absence* Antonio Munoz Molina 2012-10-30 "[A] translucent novel of passion, illusion and social class...slyly witty and luminous." —Francine Prose in *O, The Oprah Magazine* During working hours, Mario is a dutiful bureaucrat, scrupulously earning his paycheck as an employee of the provincial Spanish town where he lives. But when he walks through the door of his apartment, he is transformed into the impassioned lover of Blanca, the beautiful, inscrutable wife he saved from the brink of personal crisis. For the love of Blanca, Mario eats sushi and carpaccio, nods in feigned understanding at experimental films, sits patiently through long conversations with her avant-garde friends, and conceals his disgust at shocking art exhibits. Then, little by little, a strange and ominous threat begins to weigh on the marriage. How can love survive its own disappearance? The desperate answer that Antonio Muñoz Molina proposes in this short, circular novella is a model of literary strategy and style, a splendid homage to Flaubert.

*Promoting Attachment With a Wiggle, Giggle, Hug and Tickle* Fiona Brownlee 2015-07-21 Practical and easy to use, this resource is for practitioners working in early years settings to help children aged 0-2 to develop secure and positive attachments with their parent or carer. Designed to be flexible for one-to-one or group work, the resource features fun and engaging activities involving singing, movement and sensory activities in a structured but playful environment. It explains the significance of positive attachments in a child's early years, and equips practitioners with skills and techniques to help encourage bonding. It will be of particular interest to those working with parents needing additional support such as vulnerable and adoptive or foster families. The resource is accompanied by online materials - songs to sing along with, and film clips of signing to help parents and carers improve communication. This programme will help parents to become more attuned to the needs of their child, and aid the child's emotional, social and cognitive development. With additional guidance on how to run the programme as a group, this resource will be easy to use for any health, education or childcare practitioner in specialist and mainstream settings.

*Protecting My Child* Miriam Silver 2013-12-09 *Protecting My Child* tells the story of Miriam, a young woman who falls in love and later discovers that the man she loves is a stranger with a terrible, destructive secret that threatens not only her life, but the life of their son. For years to come, Miriam will experience an abusive relationship, a bitter divorce, and the turmoil of a court system that fails to do what's best for herself or her son. Beaten, desperate, and terrified, Miriam takes drastic action... action so drastic that it earns her a place on the FBI's Most

Wanted List. Through epic battles with a corrupt judiciary and personal strife, Miriam will discover a strength she didn't know she had, and find connection with a God she never before believed in. Through her remarkable story we see the lengths of a mother's love and the triumph of the human spirit over adversity.

Inside Transracial Adoption Gail Steinberg 2013-05-28 Is transracial adoption a positive choice for kids? How can children gain their new families without losing their birth heritage? How can parents best support their children after placement? Inside Transracial Adoption is an authoritative guide to navigating the challenges and issues that parents face in the USA when they adopt a child of a different race and/or from a different culture. Filled with real-life examples and strategies for success, this book explores in depth the realities of raising a child transracially, whether in a multicultural or a predominantly white community. Readers will learn how to help children adopted transracially or transnationally build a strong sense of identity, so that they will feel at home both in their new family and in their racial group or culture of origin. This second edition incorporates the latest research on positive racial identity and multicultural families, and reflects recent developments and trends in adoption. Drawing on research, decades of experience as adoption professionals, and their own personal experience of adopting transracially, Beth Hall and Gail Steinberg offer insights for all transracial adoptive parents - from prospective first-time adopters to experienced veterans - and those who support them.

A Feminist Ethnography of Secure Wards for Women with Learning Disabilities Rebecca Fish 2017-11-13 What is life like for women with learning disabilities detained in a secure unit? This book presents a unique ethnographic study conducted in a contemporary institution in England. Rebecca Fish takes an interdisciplinary approach, drawing on both the social model of disability and intersectional feminist methodology, to explore the reasons why the women were placed in the unit, as well their experiences of day-to-day life as played out through relationships with staff and other residents. She raises important questions about the purpose of such units and the services they offer. Through making the women's voices heard, this book presents their experiences and unique perspectives on topics such as seclusion, restraint, and resistance. Exploring how the ever present power disparity works to regulate women's behaviour, the book shows how institutional responses replicate women's bad experiences from the past, and how women's responses are seen as pathological. It demonstrates that women are not passive recipients of care, but shape their own identity and futures, sometimes by resisting the norms expected of them (within allowed limits) and sometimes by transgressing the rules. These insights thus challenge traditional institutional accounts of gender, learning disability and deviance and highlight areas for reform in policy, practice, methodology, and social theory. This ground-breaking book will be of interest to scholars, students, policymakers and advocates working in the fields of learning disability and disability studies more widely, gender studies and sociology.

Cleo the Crocodile Activity Book for Children Who Are Afraid to Get Close Karen Treisman 2019-05-21 Amongst the beauty of the Okavango delta in Botswana, Cleo the Crocodile loved having fun with all of his animal friends. That is, until one day Hogan the Hippo, who was supposed to look after Cleo, started to act mean and hurt him. Cleo has to leave the swamp to find a safe new home - he's scared and puts his prickles up for protection, so all the other animals are afraid of him. How can Cleo find a new safe home? How can he make new friends when he doesn't know who he can trust? This activity book developed by expert child psychologist Dr Karen Treisman combines a colourfully illustrated therapeutic story about Cleo the Crocodile to help start and enrich conversations, which is followed by a wealth of creative activities and photocopiable worksheets for children to explore issues relating to attachment, relationships, rejection, anger, trust and much more. The activities are accompanied by extensive advice and practical strategies for parents, carers, and professionals on how to help children aged 5-10 to start to name their tricky feelings. It will help children to understand their own prickles, to trust others and begin to invest in relationships so they can let others close again.

Disability Psychotherapy Patricia Frankish 2018-05-08 Much has been written about cognitive development in those who are cognitively impaired. Much is written about attachment for people who don't have disabilities. Yet people with disabilities have suffered discrimination and neglect of their emotional needs, perhaps because the pain of difference cannot be tolerated, perhaps because of lack of will or lack of knowledge. This book aims to help to fill the knowledge gap and to encourage others to overcome their resistance to facing the pain, and will be an important contribution to our understanding of the world of disability and emotional deprivation. In this book - a result of over twenty years experience with people who have disabilities and additional distress as a result of traumatic life experiences - an attempt is made to bring together what we know about early emotional development and the consequences of failure to provide an emotionally nurturing experience, and the results are then applied to people with disabilities.

Foundations for Attachment Training Resource Kim Golding 2017-04-21 Foundations for Attachment Training Resource is a six-session programme to help parents and carers to nurture attachments with their child. It is designed specifically for those caring for children whose capacity to emotionally connect has been compromised as a result of attachment problems, trauma, and loss or separation. Informed by attachment theory and Dyadic Developmental Psychotherapy (DDP), it consists of three core modules: \* Understanding Challenges of Parenting \* Therapeutic Parenting \* Looking After Self It includes relevant theory and process notes for trainers, and a range of activities supported by electronic resources with downloadable activity sheets and handouts. This is a complete resource containing everything you need to run the sessions, and is perfect for any professionals involved in training foster carers, adoptive parents and kinship carers.

Preparing for Adoption Julia Davis 2014-10-21 The ideal first book for prospective adopters. When you decide to adopt a child, you might assume that all the important work begins when the child comes to live with you. In fact the preparation stage before is crucial in ensuring that the adopted child will arrive to a safe and secure family. Preparing for Adoption provides clear advice on how to prepare for you adoptive child and create a strong foundation for a healthy and loving relationship. Julia Davis explains how many different factors can shape preparations for adoption, such as finding out about your child's history and using this information to establish a family environment which will meet your child's specific attachment needs. There is also advice on how to prepare your home to create a sense of safety for your child and how to prepare your family to support you as adoptive parents. Primarily for adopters, foster carers and professionals supporting adopters, this book offers ideas and strategies to help parents prepare a happy and settled home for children before their arrival and ways to parent them in the early days of becoming a family that addresses their attachment needs.

Attaching Through Love, Hugs and Play Deborah D. Gray 2014-04-21 Capturing the warmth and fun of forming close relationships with children, this book offers simple advice to parents of children who find it difficult to attach and bond - whether following adoption, divorce or other difficult experiences. Attachment therapist Deborah D. Gray describes how to use the latest thinking on attachment in your daily parenting. She reveals sensory techniques which have proven to help children bond - straightforward activities like keeping close eye contact or stroking a child's feet or cheeks - and explains why routines like mealtimes and play time are so important in helping children to attach. The book offers positive ideas for responding to immediate crises like difficult behaviour and meltdowns, but importantly also offers longer-term strategies to help children to develop the skills they need to cope as they grow up - the ability to plan, concentrate and be in control of their emotions. Offering fascinating insights into how children who struggle to attach can be helped, this book is full of easy-to-use ideas which will help you to enjoy the many pleasures of bonding and attaching with your child.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.
