Just exercise just what we offer under as with ease as evaluation Glorias Voice The Story Of Gloria Steinem Feminist Activist Leader People Who Shaped Our World what you once to read!

Intentioning Gloria Feldt 2021-09-28 Intentioning by best-selling author Gloria Feldt will help you envision the life and career you might have thought were impossible dreams, then give you the courage and actionable tools to achieve them. In the wake of the coronavirus pandemic and a pandemic of racial injustice that together shook our world to its core and revealed deep fault lines in our culture, Gloria Feldt, New York Times best-selling author, speaker, commentator, international leadership expert, successful CEO, and feminist icon, shows how we can seize the once-in-a-lifetime opportunity created by massive disruption to build back stronger with diverse women at the center of the recovery. In *Intentioning: Sex, Power, Pandemics, and How Women Will Take The Lead for (Everyone's) Good*, Feldt inspires diverse women to embrace their personal power to lead with intention, confidence, and joy. It comes as no surprise to her that women flexed their formidable muscles when needed most, representing a disproportionate number of essential workers during the darkest days of the coronavirus global outbreak and leading the charge against racism in the United States. But this book is decidedly about the future, taking the leadership lessons learned from this disruption and creating a better world for all. Feldt not only unveils the next step in advancing gender parity in all spheres of business and life, but she also lays out the vital next steps in the overall advancement of our economy and our civilization. The "Lead Like a Woman" framework and the "9 Leadership Intentioning Tools" she presents in this book will prepare, motivate, and propel women of all diversities and intersectionalities now so that by 2025, women will have attained their fair and equal share of leadership positions across all sectors of industry and society. We simply cannot squander women's talents when

so much hangs in the balance. Women must be at the vanguard of reimagining and reconstructing a vibrant and sustainable future for us all.

Ms. Gloria Steinem Winifred Conkling 2020-06-30 Throughout the years, Gloria Steinem is perhaps the single-most iconic figure associated with women's rights, her name practically synonymous with the word "feminism." Documenting everything from her boundary-pushing journalistic career to the foundation of Ms. magazine to being awarded the 2013 Presidential Medal of Freedom, Winifred Conkling's *Ms. Gloria Steinem: A Life* is a meticulously researched YA biography that is sure to satisfy even the most voracious of aspiring glass-ceiling smashers. Gloria Steinem was no stranger to injustice even from a young age. Her mother, Ruth, having suffered a nervous breakdown at only 34, spent much of Gloria's childhood in and out of mental health facilities. And when Gloria was only 10 years old, her father divorced her mother and left for California, unable to bear the stress of caring for Ruth any longer. Gloria never blamed her mother for being unable to hold down a job to support them both after that, but rather blamed society's intrinsic hostility toward women, and working women in particular. This was the spark that lit a fire in her that would burn for decades, and continues to burn brightly today.

In Praise of Difficult Women Karen Karbo 2018-02-27 From Frida Kahlo and Elizabeth Taylor to Nora Ephron, Carrie Fisher, and Lena Dunham, this witty narrative explores what we can learn from the imperfect and extraordinary legacies of 29 iconic women who forged their own unique paths in the world. Smart, sassy, and unapologetically feminine, this elegantly illustrated book is an ode to the bold and charismatic women of modern history. Best-selling author Karen Karbo (*The Gospel According to Coco Chanel*) spotlights the spirited rule breakers who charted their way with little regard for expectations: Amelia Earhart, Helen Gurley Brown, Edie Sedgwick, Hillary Clinton, Amy Poehler, and Shonda Rhimes, among others. Their lives--imperfect, elegant, messy, glorious--provide inspiration and instruction for the new age of feminism we have entered. Karbo distills these lessons with wit and humor, examining the universal themes that connect us to each of these mesmerizing personalities today: success and style, love and authenticity, daring and courage. Being "difficult," Karbo reveals, might not make life easier. But it can make it more fulfilling--whatever that means for you. In the Reader's Guide included in the back of the book, Karbo asks thought-provoking questions about how we relate to each woman that will make for fascinating book club conversation.

Revolution from Within Gloria Steinem 2012-05-15 Newly updated: The bestseller "that could bring the human race a little closer to rescuing itself" from the subject of the film *The Two Glorias* (Naomi Wolf). Without self-esteem, the only change is an exchange of masters; with it, there is no need for masters. When trying to find books to give to "the countless brave and smart women I met who didn't think of themselves as either brave or smart," Steinem realized that books either supposed that external political change would cure everything or that internal change would. None linked internal and external change together in a seamless circle of cause and effect, effect and cause. She undertook to write such a book, and ended up transforming her life, as well as the lives of others. The result of her reflections is this truly transformative book: part personal collection of stories from her own life and the lives of many others, part revolutionary guide to finding community and inspiration. Steinem finds role models in a very young and uncertain Gandhi as well as unlikely heroes from the streets to history. *Revolution from Within* addresses the core issues of self-authority and unjust external authority, and argues that the first is necessary to transform the second. This ebook features an illustrated biography of Gloria Steinem including rare images from the author's personal collection, as well as a new preface and list of book recommendations from

Steinem.

Spectacular Sisters Aura Lewis 2021-11-09 Starring the special bond between sisters throughout history, with beautiful full-color illustrations, this fun and inspiring 208-page biography collection from author-illustrator Aura Lewis is perfect for fans of Rad American Women A-Z and the Women in Art/Science/Sports series. Sisters are spectacular! They can be your biggest cheerleaders, your most trusted confidants, and your much-needed fashion advisors (as long as they're not stealing your clothes!). But sisterhood can also be complex: full of rivalry, jealousy, and not-so-friendly competition. From pop culture sensations like the Kardashians/Jenners to civil rights activists Coretta Scott King and Edythe Scott Bagley to tennis superstars Venus and Serena Williams, these sisters—and so many others throughout history—have not only impacted art, culture, and society, but also illustrate the unbreakable bonds of sisterhood. At the end of the day, whether you're mortal enemies or best friends, spectacular sisters will always have your back. Share this book at home or in the classroom. It's a great source for capsule biographies of a wide variety of powerful women. Featured in Mother Mag's "50+ Crowd-Pleasing Gifts for Kids" guide!

My Life on the Road Gloria Steinem 2015-10-27 NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and "on the road" state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road "This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, 'out of our heads and into our hearts.'"—People "Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her."—O: The Oprah Magazine "A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for

the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you’ve ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be.”—The Boston Globe

Betty Friedan Judith Adler Hennessee 1999 A frank portrait of one of the key figures in the American women's movement examines her early battle for women's rights, her personal upheaval, and her continuing crusade and influence on American society. 20,000 first printing.

Hillary Rodham Clinton, First Lady Suzanne LeVert 1994-01-01 Focuses on the first lady's activities and accomplishments as an achiever and a person who has used her success to help people and to fight for the rights of others

What Will It Take to Make A Woman President? Marianne Schnall 2013-11-05 Prompted by a question from her eight-year-old daughter during the 2008 election of Barack

Obama—“Why haven’t we ever had a woman president?”—Marianne Schnall set out on a journey to find the answer. A widely published writer, author, and interviewer, and the Executive Director of Feminist.com, Schnall began looking at the issues from various angles and perspectives, gathering viewpoints from influential people from all sectors. What Will It Take to Make A Woman President? features interviews with politicians, public officials, thought leaders, writers, artists, and activists in an attempt to discover the obstacles that have held women back and what needs to change in order to elect a woman into the White House. With insights and personal anecdotes from Sheryl Sandberg, Maya Angelou, Gloria Steinem, Nancy Pelosi, Nicholas Kristof, Melissa Etheridge, and many more, this book addresses timely, provocative issues involving women, politics, and power. With a broader goal of encouraging women and girls to be leaders in their lives, their communities, and the larger world, Schnall and her interviewees explore the changing paradigms occurring in politics and in our culture with the hope of moving toward meaningful and effective solutions—and a world where a woman can be president.

The Girl who Ran Frances Poletti 2017 "In 1966, the world believed it was impossible for a woman to run the Boston Marathon. Bobbi Gibb was determined to prove them wrong"-- Jacket.

Education of a Woman: The Life of Gloria Steinem Carolyn G. Heilbrun 2011-07-20 From one of America's most respected critics comes an acclaimed biography of the controversial feminist. Here, Heilbrun illuminates the life and explores the many facets of Steinem's complex life, from her difficult childhood to the awakening that changed her into the most famous feminist in the world. Intimate and insightful, here is a biography that is as provocative as the woman who inspired it. Photos.

Betty Dodson Bodysex Basics Carlin Ross 2017-02-24 Betty Dodson ran Bodysex workshops for over 25 years. They grew out of the consciousness raising groups feminists started in the 1970's. Women would gather together and talk first person about their personal lives. Betty took it one step further and had women answer two questions: how do you feel about your body & how do you feel about your orgasm. She called her workshops "physical and sexual consciousness raising" which she later shortened to "Bodysex." Betty and Carlin filmed a workshop in 2011 and, based upon demand, started running groups again. It became clear that women wanted to run their own workshops following Betty's model of body pride, sisterhood, and independent orgasm. To date, we've certified 45 women to run workshops in 10 countries and 17 states. This book is a manual describing how to run a

workshop from beginning to end. Our hope is that Bodysex spreads across the globe so that future generations of women can learn how to love themselves and their bodies

Susan B. Anthony: Champion for Voting Rights! Mark Shulman 2020-06-30 A biography of leading social reformer Susan B. Anthony, told in graphic novel format. *Susan B. Anthony: Champion for Voting Rights!* is a biography of the woman who was at the forefront of the women's suffrage movement in the late nineteenth and early twentieth centuries. Along with other social reformers such as Elizabeth Cady Stanton and Frederick Douglass, Anthony not only paved the way for women seeking the right to vote but also spoke out against the institution of slavery, at great personal risk. Full-color illustrations and historically accurate text make this biography an entertaining, educational, and inspiring read for those who enjoy history and graphic novels.

Gloria Takes a Stand Jessica M. Rinker 2019-03-12 Perfect for fans of *I Dissent* comes an inspirational and empowering account of the life of women's rights icon Gloria Steinem. As a young girl, Gloria Steinem thought for herself and spoke her mind. She read many books by her favorite authors and imagined herself as the heroine of the story. Gloria wished. She read. And imagined. But Gloria grew up during a time when women were not encouraged, or even allowed, to do a lot of the things men could do: go to college, get a job, open a bank account, and more. There were restrictions that made it impossible for women to be independent or equal to men. So, Gloria set out to change that . . . Gloria listened. She watched. And wrote. Gloria believed. She marched. And dreamed. From unconventional childhood, to Smith College, to *Ms.* magazine, to the women's liberation movement, to feminist icon--*Gloria Takes a Stand* brings to the page a spirited look at Gloria Steinem's influential life, energizing a new generation of feminists to stand up and demand equal rights for all people.

The Rabbi's Atheist Daughter Bonnie S. Anderson 2017-01-02 "Early feminist Ernestine Rose, more famous in her time than Elizabeth Cady Stanton or Susan B. Anthony, has been undeservedly forgotten. During the 1850s, Rose was an outstanding orator for women's rights in the United States who became known as "the Queen of the platform." Yet despite her successes and close friendships with other activists, she would gradually be erased from history for being a foreigner, a radical, and, of most concern to her peers and later historians, an atheist. In *The Rabbi's Atheist Daughter*, Bonnie S. Anderson recovers the legacy of one of the nineteenth century's most prominent radical activists. The only child of a Polish rabbi, Ernestine Rose rejected religion at an early age, legally fought a betrothal to a man she did not want to marry, and left her family, Judaism, and Poland forever. She would eventually move to London, where she became a follower of the manufacturer-turned-socialist Robert Owen and met her husband, fellow Owenite William Rose. Together they emigrated to New York City in 1836. In the U. S., Rose was a prominent leader at every national women's rights convention, lecturing across the country in favor of feminism and against slavery and religion. But the rise of anti-Semitism and religious fervor during the Civil War--coupled with rifts in the women's movement when black men, but not women, got the vote--left Rose without a platform. Returning to England, she continued advocating for feminism, free thought, and pacifism. Although many radicals honored her work, her contributions to women's rights had been passed over by historians by the 1920s. Nearly a century later, *The Rabbi's Atheist Daughter*, a well-rounded portrait of one of the mothers of the American feminist movement, returns Ernestine Rose to her rightful place"--

The Truth Will Set You Free, But First It Will Piss You Off! Gloria Steinem 2019-10-29 A beautifully illustrated collection of Gloria Steinem's most inspirational and outrageous quotes, with an introduction and essays by the feminist activist herself "A fearless book full of

passion, resolute perspective, and unbiased hope for the future.”—Janelle Monáe For decades—and especially now, in these times of crisis—people around the world have found guidance, humor, and unity in Gloria Steinem’s gift for creating quotes that offer hope and inspire action. From her early days as a journalist and feminist activist, Steinem’s words have helped generations to empower themselves and work together. Covering topics from relationships (“Many are looking for the right person. Too few are trying to be the right person.”) to the patriarchy (“Men are liked better when they win. Women are liked better when they lose. This is how the patriarchy is enforced every day.”) and activism (“Revolutions, like trees, grow from the bottom up.”), this is the definitive collection of Steinem’s words on what matters most. Steinem sees quotes as “the poetry of everyday life,” so she also has included a few favorites from friends, including bell hooks, Flo Kennedy, and Michelle Obama, in this book that will make you want to laugh, march, and create some quotes of your own. In fact, at the end of the book, there’s a special space for readers to add their own quotes and others they’ve found inspiring. *The Truth Will Set You Free, But First It Will Piss You Off!* is both timeless and timely. It is a gift of hope from Steinem to readers, and a book to share with friends.

Daring to Be Ourselves Marianne Schnall 2010 This impressive collection brings together words of wisdom from many of today’s most renowned and influential women, including Maya Angelou, Jane Fonda, Gloria Steinem, Cameron Diaz, Melissa Etheridge, Alice Walker, Isabel Allende, Elizabeth Lesser, and many others. Together, their voices speak to women of all ages and walks of life, addressing issues like equality, overcoming adversity, finding balance, and being more connected to the earth. Experience the power of their words as they share their passions and struggles, life philosophies, and hopes and dreams for the future. Let them inspire you in your own life to find your voice, speak your truth, and make a difference in the world.

Moving Beyond Words Gloria Steinem 2012-05-15 Essays from the New York Times—bestselling author who inspired the film *The Glorias*, a “woman who has told the truth about her life and ours” (Los Angeles Times). With cool humor and rich intellect, Gloria Steinem strips bare our social constructions of gender and race, explaining just how limiting these invented cultural identities can be. In the first of six sections, Steinem imagines how our understanding of human psychology would be different in a witty reversal: What if Freud had been a woman who inflicted biological inferiority on men (think “womb envy”)? In other essays, she presents positive examples of people who turn gendered stereotypes on their heads, from a female bodybuilder to Mahatma Gandhi, whose followers absorbed his wisdom that change starts at the bottom. And in some of the most moving pieces, Steinem reveals some of her own complicated history as a writer, woman, and citizen of the world. This ebook features an illustrated biography of Gloria Steinem including rare images from the author’s personal collection.

Beyoncé Shine Your Light Sarah Warren 2019-06-04 Powerful text and beautiful illustrations make this dazzling picture book biography the perfect read for everyone ready to get in touch with and shine their inner light like Beyoncé. Beyoncé was quiet. A push-an-empty-swing kind of quiet. That’s how most of the world saw her, until . . . She can sing! Do you know she can sing? one teacher looked closer. Onstage, Beyoncé became a different person. Dazzling! Confident Bold This was where she belonged. Beyoncé is bold, talented, confident, and an inspiring voice and power to millions of people all around the world. This captivating picture book biography celebrates the icon’s rise from a shy little girl to a world-famous superstar. Discover the story of Beyoncé as she finds her voice, through trials and

triumphs, and understand that you, too, can shine your light like Beyoncé.

The Feminine Mystique Betty Friedan 2010 When Betty Friedan produced *The Feminine Mystique* in 1963, she could not have realized how the discovery and debate of her contemporaries' general malaise would shake up society. Victims of a false belief system, these women were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan's controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important and true as it was forty-five years ago, and is essential reading both as a historical document and as a study of women living in a man's world. 'One of the most influential nonfiction books of the twentieth century.' *New York Times* 'Feminism began with the work of a single person: Friedan.' Nicholas Lemann With a new Introduction by Lionel Shriver

50 Lists for Feminists (Guided Journal) Aura Lewis 2020-02-11 An inspiring guided journal packed with list-making prompts, feminist history, and dazzling artwork Listers and sisters unite! Written and charmingly illustrated by Aura Lewis, this journal offers the space for you to connect to the past, present, and future of the female experience. **Special Features** Full-color illustrations throughout Paperback with flaps Check out the rest of the series: *The Illustrated Feminist* and *The Illustrated Feminist Postcards*
Who Is Gloria Steinem? Sarah Fabiny 2014-12-26 As a field reporter in the 1960s, Gloria Steinem worked hard to dig up important stories. She went undercover to expose the grim realities of gender inequality in America. As her message continued to grow, she became the spokeswoman of the women's liberation movement and created the feminist publication, *Ms.* magazine. Steinem continues to speak and write about women and women's roles in media and politics.

Florynce "Flo" Kennedy Sherie M. Randolph 2018-02-01 Often photographed in a cowboy hat with her middle finger held defiantly in the air, Florynce "Flo" Kennedy (1916–2000) left a vibrant legacy as a leader of the Black Power and feminist movements. In the first biography of Kennedy, Sherie M. Randolph traces the life and political influence of this strikingly bold and controversial radical activist. Rather than simply reacting to the predominantly white feminist movement, Kennedy brought the lessons of Black Power to white feminism and built bridges in the struggles against racism and sexism. Randolph narrates Kennedy's progressive upbringing, her pathbreaking graduation from Columbia Law School, and her long career as a media-savvy activist, showing how Kennedy rose to founding roles in organizations such as the National Black Feminist Organization and the National Organization for Women, allying herself with both white and black activists such as Adam Clayton Powell, H. Rap Brown, Betty Friedan, and Shirley Chisholm. Making use of an extensive and previously uncollected archive, Randolph demonstrates profound connections within the histories of the new left, civil rights, Black Power, and feminism, showing that black feminism was pivotal in shaping postwar U.S. liberation movements.

Godzilla on My Mind William M. Tsutsui 2017-01-16 This year, to mark the fiftieth anniversary of his first appearance on the screen, the original, uncut version of *Godzilla* was released in American theaters to the delight of Sci-Fi and B-Movie fans everywhere. Ever

since Godzilla (or, Gojira, as he is known in Japan) crawled out of his radioactive birthplace to cut a swath of destruction through Tokyo, he has claimed a place alongside King Kong and others in the movie monster pantheon. He is the third most recognizable Japanese celebrity in the United States, and his fan base continues to grow as children today prove his enduring appeal. Now, Bill Tsutsui, a life-long fan and historian, takes a light-hearted look at the big, green, radioactive lizard, revealing how he was born and how he became a megastar. With humorous anecdotes, *Godzilla on My Mind* explores his lasting cultural impact on the world. This book is sure to be welcomed by pop culture enthusiasts, fans, and historians alike.

I Dissent Debbie Levy 2016-09-20 Get to know celebrated Supreme Court justice Ruth Bader Ginsburg—in the first picture book about her life—as she proves that disagreeing does not make you disagreeable! Supreme Court justice Ruth Bader Ginsburg has spent a lifetime disagreeing: disagreeing with inequality, arguing against unfair treatment, and standing up for what’s right for people everywhere. This biographical picture book about the Notorious RBG, tells the justice’s story through the lens of her many famous dissents, or disagreements.

Doing Sixty & Seventy Gloria Steinem 2014-03-04 Reflections on women’s aging from the New York Times—bestselling author who inspired the film *The Glorias*. One day I woke up and there was a seventy-year-old woman in my bed . . . Gloria Steinem has been an eloquent and outspoken voice for women’s rights and equality for more than four decades. In *Doing Sixty & Seventy* she addresses an essential concern of people everywhere—and especially of women: the issue of aging. Whereas turning fifty, in her experience, is “leaving a much-loved and familiar country,” turning sixty means “arriving at the border of a new one.” With insight, intelligence, wit, and heartfelt honesty, she explores the landscapes of this new country and celebrates what she has called “the greatest adventure of our lives.” While appreciating everybody’s experiences as different, Steinem sees these years as charged with possibilities. Dealing with stereotypes and the “invisibility” that often accompany a woman’s senior years can be as liberating as it is frustrating. It frees women as well as men to embrace that “full, glorious, alive-in-the-moment, don’t-give-a-damn yet caring-for-everything sense of the right now.” This ebook features an illustrated biography of Gloria Steinem including rare images and never-before-seen documents from the author’s personal collection.

We The People Aura Lewis 2020-07-01 See the US Constitution in a new light with this bold, modern and accessible illustrated guide to the document that helped define democracy. With the 2020 Presidential election around the corner, there has never been a better time to take a closer look at the Constitution, the bedrock of US politics. Inquisitive minds will have their questions vividly answered – and new ones raised – by a mix of striking illustrations and clear, engaging text, including passages from the Constitution given in plain English. As well as a detailed history covering the original Constitution, the Bill of Rights and all Amendments, discover how this milestone in American democracy shapes and is shaped by the world at large. *We The People* shows that, far from a fusty old piece of paper, the US Constitution is a living, evolving rulebook that is as relevant today as it has ever been. A fresh take on a monumental document, navigating in style its history and its life today. Excerpts from the Constitution are presented here in plain English to help young thinkers better understand the role it plays in everyday life. Accessible, energetic text accompanied by contemporary, powerful illustrations allows children aged 10 and older to re-think the Constitution in a totally new way. A balanced examination that does not shy away from addressing the difficulties of interpreting and adapting the Constitution for the modern world.

We The People takes the Constitution out of its display case, blows off the dust and re-imagines this piece of history for the next generation.

The Feminist Utopia Project Alexandra Brodsky 2015-09-21 What do we want? In this groundbreaking collection, more than fifty cutting-edge voices, including Melissa Harris-Perry, Janet Mock, Sheila Heti, and Mia McKenzie, invite us to imagine a truly feminist world. An abortion provider reinvents birth control, Sheila Bapat envisions an economy that values domestic work, a teenage rock band dreams up a new way to make music, Katherine Cross rewrites the Constitution, and Maya Dusenbery resets the standard for good sex. Combining essays, interviews, poetry, illustrations, and short stories, The Feminist Utopia Project challenges the status quo that accepts inequality and violence as a given and inspires us to demand a radically better future.

Gloria's Voice Aura Lewis 2018-03-06 Gloria Steinem is known as a leader of the feminist movement and a trailblazer who fights for equality for all people. This unofficial biography for young readers tells her story, from being a young girl with big dreams to her inspiring travels in India to the launch of Ms. magazine, which gave women a voice. Gloria's message of believing in yourself and following your dreams will inspire a whole new generation.

Pride: The Story of Harvey Milk and the Rainbow Flag Rob Sanders 2018-04-10 JUNIOR LIBRARY GUILD SELECTION • Celebrate Pride and its iconic rainbow flag--a symbol of inclusion and acceptance around the world-- with the very first picture book to tell its remarkable and inspiring history! "Pride is a beacon of (technicolor) light." --Entertainment Weekly In this deeply moving and empowering true story, young readers will trace the life of the Gay Pride Flag, from its beginnings in 1978 with social activist Harvey Milk and designer Gilbert Baker to its spanning of the globe and its role in today's world. Award-winning author Rob Sanders's stirring text, and acclaimed illustrator Steven Salerno's evocative images, combine to tell this remarkable - and undertold - story. A story of love, hope, equality, and pride.

A Girl Called Genghis Khan Michelle Lord 2019-07-23 Meet Maria Toorpakai Wazir, a brave Pakistani girl who pursued her love of sports in spite of being taunted and beaten. When the President of Pakistan gave Maria an award for outstanding achievement, the Taliban threatened her squash club, family, and life. Forced to quit the team, she continued to practice in her bedroom every day for three years! Maria's story will inspire and empower all children . . . especially girls.

No Steps Behind Jeff Gottesfeld 2020-03-03 "Her parents moved her from Austria to Tokyo, Japan before she started school. They were all rendered stateless when Nazi Germany and Austria stripped Jews of their citizenship. She graduated high school fluent in Japanese plus four other languages and went to college in America at age 15. Cut off from her parents by the Japanese attack on Pearl Harbor, and America's entry into World War II, she went years not knowing if they were alive. She returned to post-war Japan as an interpreter, found her parents, and wrote the fateful words that make her a storied feminist hero in that nation even today. As Justice Sonia Sotomayor said about Beate Sirota Gordon, 'It is a rare life treat for a Supreme Court Justice to get to meet a framer of a Constitution. It is rarer indeed for that framer to have been a woman'"--

Part-time Mermaid Deborah Underwood 2018-03-04 Girl by day. Mermaid by night. This part-time mermaid is ready for adventure! Jump into the sea to play hide-and-seek in coral caves, explore sunken pirate ships, and meet new underwater friends. At the sea palace, it's almost time for the Midsummer Sea Festival! But . . . where is the merboy and his turtle? Can the Part-time Mermaid find him in time?

Sweet Diamond Dust Rosario Ferre 1996-10 From the Publisher: "One of Latin America's

most gifted novelists". -"Washington Post Book World". A finalist for the National Book Award for her 1995 novel, "La Casa de la Laguna", Rosario Ferre is one of Latin America's most original and important writers. The World Needs More Purple People Kristen Bell 2020-06 A wonderful new book is coming from Random House Children's Books.

The Sun, the Wind and the Rain Lisa Westberg Peters 1990-09-15 An American Bookseller "Pick of the Lists"

The Illustrated Feminist (Postcard Book) Aura Lewis 2020-02-11 50 unique postcards celebrating a century of feminism in America Share and send your story with The Illustrated Feminist Postcards, a book of 50 postcards that present a chronological visual history of the feminist movement. Featuring artwork by Aura Lewis, each card depicts a milestone feminist achievement on the front and includes a caption on the back. Discover feminist heroes and revisit extraordinary events, from the ratification of the 19th Amendment to the first women's baseball league, from the riot grrrls of the '90s to the 2017 women's march. Whether you're mailing your friends or writing your representatives, The Illustrated Feminist Postcards book is here to deliver feminism for you. Special Features 50 removable postcards Bound in a giftable, hardcover book Check out the rest of the series: The Illustrated Feminist and 50 Lists for Feminists.

Patricia's Vision Michelle Lord 2020 Born in 1940s Harlem, Patricia Bath dreamed of being a doctor--even though that wasn't a career option for most women. This inspiring biography follows Dr. Bath in her quest to become an ophthalmologist and restore sight to the blind. "Choosing miracles" when everyone else had given up hope, she invented a specialized laser for removing cataracts, becoming the first African-American woman doctor to receive a medical patent.

Along Came Coco Eva Byrne 2019-03-19 In a time when children were meant to be seen and not heard, along came Coco, a small French orphan with an eye for style, a talent for sewing, and a big imagination. Coco grew up in an orphanage run by very strict nuns, but she wasn't very good at following rules. At a time when girls were told to brush their hair 100 times until their arms were sore, Coco promised herself that one day she would snip away her locks so that she wouldn't have to be so fussy—girls needed time for other things, and they needed some of the comforts that boys enjoyed. Why shouldn't girls have pockets? And why did they have to wear corsets all the time? An exploration of Coco's early life and a celebration of her creativity, Along Came Coco †shows the ways in which Coco Chanel's imaginative spirit led her to grow into one of the world's most beloved fashion icons.

The Illustrated Feminist Aura Lewis 2020-02-25 A beautifully illustrated history celebrating the achievements of American women from 1920 to present day The year 2020 will mark the 100th anniversary of women's right to vote in America, and what better way to commemorate the 19th Amendment than with a gorgeously illustrated handbook that explores a century's worth of feminism? Each chapter illustrates 10 landmark moments in each decade from 1920 to 2020. Featuring iconic events and the trailblazing women who made them happen, from Amelia Earhart to Shirley Chisholm, The Illustrated Feminist will inspire both dedicated feminists and burgeoning activists to continue the fight for women's rights. Aura Lewis's powerful artwork coupled with her well-researched and accessible text make this book an ideal gift for anyone looking to celebrate groundbreaking women and their colorful history.
