Jasper Tudor Debra Bayani 2015-02-26 New, fully revised and edited edition. Jasper Tudor, born in secrecy in 1431, rose to become one of the key supporters of King Henry VI during the difficult period of English history known as the Wars of the Roses. Devoted to the Lancastrian cause and to his nephew Henry Tudor, Jasper's loyalty led him through a life full of adventure. When he was just six years old, Jasper's life was changed dramatically by the death of his mother, the dowager queen Katherine de Valois, and the arrest of his father Owen Tudor soon afterwards. Jasper and his older brother Edmund were called to court and by 1452 they became the first Welshmen to be elevated to the English peerage. Sadly, Edmund died in captivity in 1456, leaving Jasper to protect his brother's child, the future king Henry VII. Jasper's dedication to the Lancastrian cause took him through many of the well-known battles of the Wars of the Roses, including the historic victory at Bosworth. It is clear that Henry VII owed an enormous part of his success in claiming the throne in 1485 to his uncle, who was his closest adviser, confidante and mentor. In this detailed biography, Debra Bayani clearly shows that Jasper Tudor was a key figure in the tumultuous history of England, detailing his life from his birth in 1431 to his death in 1495. He can rightly be called the "Godfather of the Tudor Dynasty." This edition includes a comprehensive appendix with

contemporary Welsh poems translated into English for the first time, and many full page illustrations.

The Mary, Queen of Scots Colouring Book Roland Hui 2019-03-05 Queen of Scotland by birth, Queen of France by marriage, and Queen of England by right (some said), the life of Mary Stuart (1542-1587) was the stuff of legend. A monarch at only six days old, Mary's early years were spent at the glittering court of France. Pampered and indulged, she was little prepared for what lay ahead upon her return to Scotland to take up the reins of power. Murder, scandal, and betrayal would send her fleeing to England to seek the help of her cousin, Queen Elizabeth. Mary's fateful journey, which began with so much hope, would lead to her greatest tragedy. Roland Hui, author of The Turbulent Crown - The Story of the Tudor Queens, and artist Dmitry Yakhovsky have come together to create a beautiful colouring book which will be enjoyed by all ages. In The Mary, Queen of Scots Colouring Book, Roland Hui's text introduces the characters, events, and places of this absorbing drama, while Dmitry Yakhovsky's stunning artwork and your colouring bring them to life. Relax, unwind, and express yourself while learning about the exciting and moving life of the fascinating Mary Stuart.

A Chronicle of the First Thirteen Years of the Reign of King Edward the Fourth John Warkworth 1839

The Medieval Soldier in the Wars of the Roses Andrew W. Boardman 1998 The author makes use of a variety of documentary sources to present a vivid picture of the experience of the medieval soldiers who fought in the Wars of the Roses. Includes new evidence gleaned from the recently discovered mass grave close to the battlefield at Towton in North Yorkshire. Bandw illustrations. Distributed by Books International. Annotation copyrighted by Book News, Inc., Portland, OR

The Colour of Time: A New History of the World, 1850-1960 Dan Jones 2018-08-09 The top five Sunday Times bestseller. 'Breathtaking' Daily Mail. 'Astonishing' Sun. 'Shimmering' Spectator. 'Extraordinary' Daily Telegraph. The Colour of Time spans more than a hundred years of world history from the reign of Queen Victoria and the US Civil War to the Cuban Missile Crisis and beginning of the Space Age. It charts the rise and fall of empires, the achievements of science, industry and the arts, the tragedies of war and the politics of peace, and the lives of men and women who made history. The book is a collaboration between a gifted Brazilian artist and a leading British historian. Marina Amaral has created 200 stunning images, using contemporary photographs as the basis for her full-colour digital renditions. Dan Jones has written a narrative that anchors each image in its context, and weaves them into a vivid account of the world that we live in today. A fusion of amazing pictures and well-chosen words, The Colour of Time offers a unique – and often beautiful – perspective on the past.

Seeking Sanctuary Shannon McSheffrey 2017-06-23 Seeking Sanctuary explores a curious aspect of premodern English law: the right of felons to shelter in a church or ecclesiastical precinct, remaining safe from arrest and trial in the king's courts. This is the first volume in more than a century to examine sanctuary in England in the fifteenth and sixteenth centuries. Looking anew at this subject challenges the prevailing assumptions in the scholarship that this 'medieval' practice had become outmoded and little-used by the fifteenth and sixteenth centuries. Although for decades after 1400 sanctuary-seeking was indeed fairly rare, the evidence in the legal records shows the numbers of felons seeking refuge in churches began to climb again in the late fifteenth century and reached its peak in the period between 1525 and 1535. Sanctuary was not so much a medieval practice accidentally surviving into the early modern era, as it was an organism that had continued to evolve and adapt to new environments and indeed flourished in its adapted state. Sanctuary suited the early Tudor regime: it intersected with rapidly developing ideas about jurisdiction and provided a means of mitigating the harsh capital penalties of the English law of felony that was useful not only to felons but also to the crown and the political elite. Sanctuary's resurgence after 1480 means we need to rethink how sanctuary worked, and to reconsider more broadly the intersections of culture, law, politics, and religion in the years between 1400 and 1550.

Stormbird Conn Iggulden 2013 In 1437, after years of regency, the pious and gentle Henry VI, the Lamb, comes of age and accedes to the English throne. His poor health and frailty of mind render him a weakling king - Henry depends on his closest men, Spymaster Derry Brewer and William de la Pole, Duke of Suffolk, to run his kingdom. Yet there are those, such as the Plantagenet Richard, Duke of York, who believe England must be led by a strong king if she is to survive. With England's territories in France under threat, and rumours of revolt at home, fears grow that Henry and his advisers will see the country slide into ruin. With a secret deal struck for Henry to marry a young French noblewoman, Margaret of Anjou, those fears become all too real. As storm clouds gather over England, King Henry and his supporters find themselves besieged abroad and at home. Who, or what can save the kingdom before it is too late?

Subjects Portrayed in Japanese Colour-prints Basil Stewart 1922

The Life of Anne Boleyn Colouring Book Claire Ridgway 2018-06 The Life of Anne Boleyn Colouring Book tells Anne Boleyn's story through both text and drawings, from her family background, through her rise and fall at Henry VIII's court, to her execution in May 1536, and her legacy: Queen Elizabeth I. This book is a fitting tribute to Queen Anne Boleyn.
